

## Celebrating AIPPI's 125th Year at the 2022 AIPPI World Congress in San Francisco

**By Anne Marie Verschuur, AIPPI Reporter General**

Join IP professionals from around the world for networking, **a high quality educational program (with CLE credit applied for)** and constructive harmonization-promoting resolutions of IP laws at the 2022 AIPPI World Congress in San Francisco from September 10 to 13, 2022! Many have registered, so secure your spot and [book now](#).

Networking opportunities include Lunches on Diversity & Inclusion, IP & Wine and Copyrights in Graffiti and Street Art, as well as the California Academy of Sciences Cultural Evening and the Hibernia Closing Dinner. At the popular AIPPI Cafés, you are invited to open IP discussions with IP professionals from around the world on a wide range of topics.

The educational panel sessions feature AIPPI's 'Pharma Day', UPC 'Boot Camp' including a mock trial presided over by EU judges, the US & EU Case Law Update and a new IP Developments Tour around the World. Other panel topics concern the latest in NFTs/metaverse, patent filewrapper estoppel, online marketplace liability, open IP innovation, proving trade mark use and unfair competition alternatives to traditional IP protection.

AIPPI celebrates its 125th year in working to harmonize IP laws worldwide! At the 2022 World Congress in San Francisco, AIPPI delegate members will work together in open forum to prepare resolutions for harmonization of IP laws in moral rights in copyrights, trade secrets in civil proceedings, trademarks and the internet & social media, and the patentability of diagnostic methods! We look forward to seeing you there!
